BOREALIS, NORTHERN LIGHTS WATCHING

Trip to see Northern Lights in Lapland.

Scientists consider "Aurora Borealis" or Northern Lights the **most impressive luminous phenomenon of nature**. There is no better place to observe them that in the Lapland forest. There, far from light pollution of cities, we'll mesmerize by the vision of a multicolor night sky in motion. Accompanied by a scientist expert in northern lights we will learn how they form, what are the different types, how to photograph them, etc. **Who sees an Aurora Borealis never forget it ...**
