GREAT DOGSLED ROUTE IN LAPLAND

Dogsledding through one of the last wilderness areas in Europe

Our 5-days husky trip follows the forests and frozen lakes on the edge of the Pallas-Ylläs National Park, the second**cleanest air in the world.** This safari is a unique opportunity to admire the untouched nature of Lapland. Each participant drives his or her own sled hauled by a joyful dog team.

Fire making skills, team spirit and wilderness life are learned during the overnights in the wilderness huts. Overnighting in warm wilderness cabins will allow us to recover energy to start a new day of adventure in the heart of Lapland.
