# ANTARCTICA AIR - CRUISE

**Cruising by ship along the Antarctic Peninsula**

Our adventure starts in Punta Arenas (Chile) where we will stay the first night. Jumping over Cape Horn and the mythical waters of the Drake Passage, the airplane takes us to one of the most spectacular places on earth, the coldest, highest, windiest, driest and remotest continent, Antarctica.
We will enjoy the beauty of one of the most remote places of the World, where we could see the animals' way of life in their natural state.

Optionally, we could make a guided kayaking excursion, walking through snowy landscapes with snowshoe or extending the adventure, sailing through the Strait of Magellan.

## TRAVEL PROGRAM

**Day 1**
- Flight from the country of residence – Punta Arenas (Chile)
- Transfer to the hotel.
- In the afternoon, we attend a briefing that provides important information about our voyage and reviews the essential guidelines for Antarctic visitors.
- Later, gather for a welcome dinner and meet our fellow adventurers while enjoying a typical regional menu.
- Overnight at the hotel.

**Day 2**
- Breakfast at the hotel.
- Our Antarctic adventure begins with a two-hour flight from Punta Arenas to King George Island, in the South Shetland Islands. As we exit the airplane, the clear Antarctic air fills our lungs for the first time. We explore the area surrounding Chile's Frei Station and Russia's Bellingshausen station, before boarding a Zodiac to embark our expedition vessel.

**Days 3 - 6**
- Cruise between the South Shetland Islands and the western coast of the Antarctic Peninsula, sailing along ice-filled fjords and among spectacular icebergs, while enjoying the company of sea birds, penguins, seals and whales. Each day, we disembark by Zodiac and explore the landscape together with expert polar guides. On board the ship, we attend an engaging program of lectures and presentations, and enjoy spectacular vistas from the glass-enclosed lounge while sharing our daily adventures with fellow guests.
No journey is the same as flexibility is the key to success in Antarctica. The Expedition Team sets the voyage route to take advantage of the ever-changing opportunities provided by Nature, crafting a unique and extraordinary experience each time. While the exact itinerary changes with each expedition, we will explore several spots that offer the best possible overview of the varied Antarctic environment. Our voyage may include visits to sites such as Paulet Island, Hope Bay, Port Lockroy, Petermann Island, Paradise Bay, Deception Island, the Lemaire Channel, or many other magnificent places.

**Day 7**
- Return to King George Island and bid farewell to Antarctica before boarding the flight back to Punta Arenas.
- Flight from Punta Arenas to the country of residence.
