

NORTHERN LIGHTS IN CANADA

Trip to watch the Aurora Borealis in the Northern Lights capital of the world

This trip takes place in Yellowknife, one of the best destinations in the world to observe the aurora borealis, the most spectacular and brilliant phenomenon of nature.

During the day, we make an excursion by dogsled through the snowy forests of Yellowknife and a snowmobile trip. Optionally, we could make a hike on snowshoes, to live the experience of flying over Yellowknife by a light aircraft flight, to make a Dene cultural tour or to visit the Old Town.

Every night, we will go to the Indian “teepees”, which are located far from the town of Yellowknife, in the extreme cold of Canada’s far north, where we will enjoy a pleasant and safe Aurora experience protected from winter cold.

Who sees an Aurora Borealis never forget it...
